

Dear Steven:

Sorry I didn't call or write sooner. I had 27 cousins and family over for dinner last night. The party was a huge, huge, success. Our video was enjoyed immensely by everyone. My parents cried and laughed. We got a lot of compliments and we ran it in the back of the room on a tv and I set your cards near the t.v.

I hope you get a lot of new business from our video you deserve it. My parents had a great time. We're so thankful for everything. Steven, everyone was crying, even my 50 year old cousin was crying and then of course we had them laughing with our silly pictures and credits.

Thanks for making our celebration complete and so memorable.

Love and gratitude,

Denise
